Mr Jens Nissen

Mainz, Germany

via email jdnissen@t-online.de

Dear Mr Nissen,

As you have sent me scripture, I shall respond with scripture. Titus chapter 1 verse 15: *"To the pure all things are pure, but to those who are defiled and unbelieving nothing is pure; but even their mind and conscience are defiled."*

It is not true that "nobody else in the world" could have told me that you were once a leader of KwaSizabantu, except KwaSizabantu itself. This information is right there on the website that you yourself directed me to www.ksb-alert.com.

You are repeatedly referred to as "ex-leader Jens Nissen", "co-founder of KSB-Germany". One article reads: *"In 1995 hielp Jens Nissen de Duitse tak van KSB oprichten en hij zat tot zijn uittreden in juni 1999 in de leiding daarvan. Nissen beschikt daarom over een zee van informatie en weet ook van binnenuit hoe de organisatie haar imago hoog probeert te houden."*

I am afraid your cause is undermined by your enthusiasm for being on the attack. With all due respect, I will not engage with you further, as the assumptions and accusations you are so quick to make about me on a public platform convey that you are not willing to be reasoned with.

Yours sincerely,

PRINCE MANGOSUTHU BUTHELEZI MP
IFP FOUNDER AND PRESIDENT EMERITUS
